

PAC Meeting

6pm December 3, 2020

Present: Mike, Naama, Dayna, Angel, Jen

Principals Report: (best to get a copy from Mike)

Of note, immunizations Dec.17, Telus adopted WE for breakfast program contributed \$250, need robust breakfast program, teachers are tired – covid restrictions are challenging

- ✚ PAC to do: Determine if we can gather between now and early January to cook up a bunch of little quiches and muffins for freezer for children/youth who need breakfast.

Angel's Report: (best to get copy from Angel) Accounts are good, received cheques for one account which was needed.

Dayna's Update

- ✚ Jen to do: Provide PAC with basic protocol/policy documents regarding council protocol and conflict of interest/full disclosure policies pertaining to fundraising and board member participation.

Fundraisers Need a 'true north' – current fundraising is to replenish \$800 provided annually to teachers

Goal: Fundraise for rock climbing wall in gym – include multiple partners, PAC, ASSI, WE School & Community Service Society.

Goal: Fundraise for basic outdoor shelter near playground

Goal: Update PA system with mic's for children/youth on the stage

- ✚ Mike asking PAC \$5000 for pump track, this or next year

Aboriginal Education monies – inquires, can this money be extended to include others in the school who may want to participate? E.g. making moccasins at home.

Further lockdown measures: need to support teachers in what they would like – take home activities/learning etc.

Need support with Kiln/ someone who knows what they are doing, spinning wheel – Sarah Beatty local potter works with ASSI program.

- ✚ Dayna to enquire about spinning clay wheel for school

Spring Fundraiser idea: Bat boxes? Or something else needed

- ✚ Dayna to consult with outdoor professionals to determine what is needed and would bring more balance to ecosystem

PAC: came up with ideas for ASSI

Music program, choir, sewing – make your own hoodie, robotics, programming

Perhaps in partnership with WEGCSS – they have etching/laser/3d printer?

Make drums & play drums, rock climbing

- ✚ Jen to email Laura – email above ideas
- ✚ Naama shared Zoom link with Laura
