

PAC Meeting

6:00pm May 06, 2021

Present: Naama, Dayna, Jen

Discussion: Angel emailed in suggestion of education bursary which could be paid from gaming grant.

Jen: perhaps 2 separate bursaries, one for students going to university and the new one?

Naama: maybe too complicated with 2 – let's just focus on the one for now

Bursary Update: 2 Mount Sentinel students applied for bursary, PAC needs to come up with the \$600 for them. Each student from M.S. will receive a swag bag – PAC has decided to then change from giving a gift bag to M.S. graduating students and possibly doing a gift bag to graduating students in grade 8 and 10.

Naama: Younger students to record a video for older graduating students

(Sorry Naama I didn't catch this full idea, the sound was in and out – please edit as you see fit).

✚ Naama to do: contact Shannon regarding numbers for Grade 8 and 10 classes.

Dayna: What about a gift to each classroom at the end of the year, say \$20 dollars for them to get what they want, nachos, pizza, burgers..?

Ladies are in agreement end of year money or items for celebration would be very nice.

Naama: Each class could have a sponsor for this end of year celebration?

Naama: I have a receipt for last years end of year to be submitted, approximately \$100.00

Dayna's Updates:

Juice fundraiser is happening!

Seeking donations for bark mulch for playground.

Working on gaming grant.

Unsure about hot lunch requests – there are crisps in the freezer – will get some out to the community members, possibly sell some as a fundraiser to recoup some costs for bursary/end of year party.

Meeting Adjourned at 6:21pm

See below for Bursary details including whom is to reach out to whom in the community once we have numbers.

Conclusions after discussion:

An annual bursary amount \$1000 to be divided among all who apply.

With a maximum of dollars of \$300 dollars per applicant.
